that was always funny and always entertaining and always informative. Built up by comedic mastermind Carolla, none of the messages and comedy imparted here are anything less than timeless.

The following podcast covers the month of March 2006, and has been split into five parts, with each part representing a successive week. Please download all five parts to have the best listening experience.

Credits

The Adam Carolla Show was produced by KLSX and CBS Radio under the Free FM banner. The musical stings in this episode were composed by Simon Harrison. The closing song was La Bamba by Los Lobos. Additional music came from Gran Turismo 4 Original Soundtrack, Gyakuten Saiban Jazz Album Jazz Meets Soul, and Chrono Trigger Arranged Version – The Brink of Time.

Adam Carolla

Adam Carolla got his break after an accomplished but low paying career as a carpenter. Days prior to his thirtieth birthday he met Jimmy Kimmel, and in 1995 he was hired to co-host medical and relationship advice show *Loveline* with Drew Pinsky. There he developed his public image: a witty, intelligent, thoughtful, quick comedian that was always right and was always baffled by idiocy of those around him. In late 2005 he left the KROQ studios to found his morning radio show at KLSX.

Dave Dameshek

Hailing from Pittsburgh, PA, in 1999 Dave Dameshek arrived in Los Angeles with the hope of putting his strong writing ability to use in Hollywood. After picking up jobs at *Battlebots* and *I'm With Busey*, Dameshek met Jimmy Kimmel and was drafted to write for *Jimmy Kimmel Live!* He also wrote for *The Man Show*, where he met Carolla. His love of sports and the Pittsburgh Steelers, as well as a keen sense of humor and unbeatable charm, made him a natural choice for sports-guy on the radio show.

Rachel Perry

Canadian Rachel Perry started in the entertainment business, working for VH1, and appearing on the likes of *Strip Search*, VH1's *Top 20 Countdown*, and *Entertainment Tonight*. Her tenure as newsgirl on The Adam Carolla show lasted three months, until March 2006, when she was cut loose due to incompatibility with her co-hosts. Adam Carolla later termed her "a guest who wouldn't leave."

Cool. The old Adam Carolla blog with a ton of show photos and notes is on the internet archive, for those who are interested.

Love the podcast, but that picture you have of Tony Barbieri is wrong. Don't know who it is you have up there, but the right picture is the guy who comes up when you just google "Tony Barbieri". I know the face doesn't sound like it'd match the voice, but he's a comedian who does a lot of voices (he's the gay englishman from Crank Yankers and Jake Byrd now on JKL). He's also Walter 'Mole' Molinski from the cult classic comedy film 'Windy City Heat' (you can hear the Aceman mention this at the end).
